

# **My Dear Friend**

*by Deb Singer*

Please take this handful of smiles,  
Some tears from my eyes.  
A pocket full of laughter,  
Mixed in with a beat of my heart.

These are the gifts I bring you,  
Feel them,  
Know their worth,  
Enjoy them if you may.

I am here,  
My friend.  
If you need to talk  
Or want a hug,  
Or just to be left alone.  
I will always be here.
